SEMINAR

Orthogonal polynomials for continuous singular measures

SPEAKER : Prof. Alexander Goncharov (Bilkent University)

DATE : 10 March, 2017

TIME : 13:30

PLACE : Çankaya University (Central Campus), R-213

Abstract

We discuss weak and strong asymptotics of orthogonal polynomials with respect to equilibrium measures on generalized Julia sets.

All interested are cordially invited.

ADDRESS : Eskişehir Yolu 29.km, 06810, Etimesgut/ANKARA
